The site is situated in Allerton lying around 3 miles to the north west of Bradford City Centre. It is adjacent to Allerton Road. The immediate surroundings are mixed including both housing and commercial occupiers.

Description

The site comprises a plot of land extending to approximately 2,300 sqft (214 sqm). Historically there have been some buildings on the site although now demolished. The site affords a prominent position adjacent to Allerton Road. It is situated between Grape Street and Prospect Street both of which comprise high density terraced housing.

The site in our opinion has potential for development with either residential or commercial use in mind. Planning permission would be required.
